“ Jimmie, You were my big brother, you were there for me and my wife and girls, You used to tell them "I love my nieces to pieces "they would respond with "we love our uncle to buncle". We love you brother! You were my big brother but you are my hero! I cant express how much I miss you. Dave

*I remember as a kid going to Tigers games and the best part would be looking to see if we could find uncle Jimmy, I always loved that, even as I got older. No matter how much time passed between seeing you, you always still made me feel loved and comforted like we saw each other yesterday. I will miss you greatly! Lisa*
