“ *Sierra and Family*

*God has a strange way of bringing people together and that is what he did in that chemo room. No matter how sick she was she always made sure Bobby was ok. She was one in a million and I am so glad we met her*

*Remember she will always be with you*

*So very sorry*

“ *I have never a better person. I have know Joanne since 1999. From the first day I knew she was a great person. She had an contagious personality and a laugh that you would never forget. I have a ton on fond memories from Prince, to telling stories at the service counter at cjs and many more. I have watched her raise a Sierra to be the great young lady that she is today. Joanne will defenitly be missed and a piece of my heart left with her. Sierra your mother's legacy is instilled in you. You must carry on her legacy and know that one day we will see her again.*

*God bless the Holso and Simon family.*

*Love,*
