“ I just learned of John’s passing. I am so sorry. I met John through Dr Steenberg’s dental office. We all shared many fun times together. ( hard to believe a dental office was fun) Seeing John’s name on the schedule always meant it would be a good day. Once again I am so sorry Joyce and to the rest of your family.

“ Papa,

*You will be forever missed. Most children grow up being a mommy's girl or daddy's girl but I was definitely papa's girl. I will never forget the days where you'd lay me on the couch and sing "Jesus loves me" to put me to sleep. As I grew older we bickered a lot but I do have to say there's no one I'd rather bicker with. I appreciate everything you have done for me throughout my life. Your smile and laugh were so contagious. I will always remember you as that happy man always smiling. We're all proud of how long you fought. You were ready to go and I'm so glad you're at peace.*

*As always, "I love you grasshopper"*

*Love,  
Sierra*

“ John was great father in-law who had a huge heart and even bigger sense of humor. He was a living example of love and laughs and will be terribly missed.
