# Tribute Wall

“ Anne and Mary Carol, I was so sad to hear of the passing of Sean. I can still remember him and my dad sharing jokes that only they would understand. I'm sorry that I will not be able to attend to pay my respect, but know that I will be keeping you both in my prayers.

*Feel no guilt in laughter, he'd know how much you care.  
Feel no sorrow in a smile that he is not here to share.  
You cannot grieve forever; he would not want you to.  
He'd hope that you could carry on the way you always do. So, talk  
about the good times and the way you showed you cared,  
The days you spent together, all the happiness you shared.  
Let memories surround you, a word someone may say  
Will suddenly recapture a time, an hour, a day,  
That brings him back as clearly as though he were still here,  
And fills you with the feeling that he is always near.  
For if you keep those moments, you will never be apart  
And he will live forever locked safely within your heart.*
