“ The family came to my house on vacation one year. we had a great time! Something I learned real quick, Joyce don't mess around with her coffee. That stuff stood up and said yes ma'am 📝 She loved those kids she would look at them and smile when they talked. Millard well he got eye rolls lol. When I go into cracker barrel and see the western things, I think of Joyce. My deepest prayers and sympathy for the family and friends ☐

“Joyce never really ate a lot but she would text me and ask for recipes of foods I brought to the office. She was a good Christian lady and very quiet, but the sweetest person you would like to meet. Miss you Joyce.
