“ I was saddened and shocked to learn of Judith's passing. I worked with her when she worked for De La Rue and made her a friend. We shared messages at birthdays and Christmas and since I had not heard from her in 2016 I googled her and found this site.

My condolences to all her family whom I never knew she had and to her friends.

I found Judy, as I knew her then, to be a sparkling personality who brought joy to all our meetings. She was definitely not 'mainstream' in her thinking but her philosophy was both challenging and enjoyable. She is sorely missed and especially as over the past three or four years we had been telling each other that we should visit, me to Michigan or her to Northumberland, UK. Love you Judith, Rest in Peace returned to the stars.

“ I am so very sorry to hear of your loss. My mom, Darlene, and she were friends, and often worked together and crafted together. We sat and visited with her the last time I brought Darlene to church, and Jude was very kind in sending notes to my mom when she moved into assisted living. Praying for the family.
