Tribute Wall

“ Karen touched so many lives and will be missed deeply. She was an easy person to talk to and a good friend. She loved her husband and boys so much. I know she will be looking down on her children and grandson and be so proud of them. So many of us will miss her. Wish we all could have had many many more years with her. May God bless and comfort her family. Whoever had the privledge to know Karen, loved her. R.I.P my dear friend!
