“ Kathy, we had many good times as kids at the lake. We also shared experiences in taking care of our moms. You did a great job during difficult times. Enjoy the eternal reward you so deserve.

“ We now have our Kathy Angel to watch over us now as she did on earth. Kathy you were more than a cousin you were my best friend I'm going to miss all the night calls and all the aches and pains we shared. You were my Rock through my cancer and I cannot say enough for all the comfort you gave me and the advice. Rest in peace and know you made a change in many lives. God Bless you Kathy and join those you loved and missed through the years til we all meet again.

Love your cousin

“ Have to say Kathy was the best godmother/cousin/friend I could ask for. Remember our trips to SeaWorld when I was little to Vegas when I wasn't so little. She had a great big heart, generous and a huge animal lover. I will treasure the memories.
