“ *Kerry, we are really going to miss you! Please save us all some spots up there! (Build a few extra seats if necessary!) My condolences to your loved ones.*

“ *I remember the time Kerry had been working in an upstairs room of the hospital, that was being used for storage. He came downstairs, all red in the face, shouting to all within earshot. He was pretty upset. Apparently, SOMEONE had USED (for its intended purpose!), a commode that was stored there! Not connected to plumbing! No water in it! I'm not sure if he paged Robert for clean-up!!!! All we could do was laugh 'til our sides hurt!*
