“ *Ky was an excellent cook from what I remember. Her sticky rice and dips were so delicious...I have not found anyone else who could duplicate her cooking! It was always a pleasure to go over to their house and help with babysitting the girls or tag along with our mother for a visit. Ky was easy to talk to despite the language barrier. She seemed to always have a smile. I'm sorry I fell out of contact with her and Mueng over the years. The last time I saw her was at Mt. Calvary for Heather's confirmation if I'm not mistaken. Our prayers are with Mueng and the family in this time of loss. Deepest condolences,
Kevin and Christine Grassel*
