Even with my alcoholism addiction he never gave up on me. I wish he was still around to see me getting clean. I think about u everyday Dad and miss u. “I worked on the same crew with "Coop" for many years and can attest to Larry H's comment about there was never a dull day. Larry always had a smile (at least most times). He was always entertaining and I cherished his friendship. I can't put on here what I remember as one of his favorite sayings, but it had something to do with "the white girl". Rest in peace Coop.

“ I worked with Larry (poopsy) for 24 yrs. and there was never a dull day . He was always there with his one- liners. I know of one of his most famous sayings was eat my sh--ts. He is in a good place now and at peace . Good by my friend Larry Holser
