“ My husband and I are deeply saddened by the loss of your mother. We have both experienced death and recognize how true the words of 1Corinthians 15:26 are when it says, "death is the enemy" but soon it will be no more. The Holy Bible assures us of the hope of seeing our loved ones again (John 5:28,29). May the passages mentioned above bring your family as much comfort as it has brought mine.
