“ Dear Tara Jason Gary and family, I am so sorry about Linda and sorry I couldn't come. I thought a lot of Linda her and pat were just like sisters and I know if pat were here she would be right by your side she loved all of you so much. she felt like you were all her family. She may not be there physically but I know she is there in spirit. You can bet her and Linda are to gather looking for some trouble to get into. Just know you all are on my heart and in my prayers. Love to all of you Linda browser pats sister.
