“ *I don't know what to say except I will love and miss you forever. Like that song "Dancing in the sky" Have your fears and your pain gone away? I'm praying you're with your heavenly family and in good hands laughing and having fun like the good old days. I'm sorry but I couldn't be there to say goodbye but I just want to remember you as I seen you, full of life and stubbornness. Until we meet again sis ❤️*

“ Linda Lee Snyder and I have been friends for 20 odd years. We met on a forum for CRPS online.

Linda and I clicked immediately, from day one that we corresponded. I live in SW Victoria, Australia 🇦🇺.

There have been many sleepless nights over the years, that Linda and I have supported each other through.

We went through many ups and downs, but always stayed true to our love for one another. Quite a long time ago now, we figured out that we were sisters from another mother. From then on, we referred to each other as Sis.

Linda was the most loving, caring person I think I have ever known. We met before Facebook. We used to talk through Gmail or Skype. Then Facebook happened along.

Linda, I will treasure my memories of your love you showed me. I will miss you always. Until we meet again Sis xoxo
