Lisha had a strong interest in music, lyrics and liked to sing. She delighted in giving and receiving compliments. Along with her gentle nature, she had relentless strength. “ RIP Lisha, You will never be forgotten. I will never forget the time we went fishing and you caught a turtle and wanted to keep it a pet so we did and then the turtle was not doing well so we took it to the vet and they said the turtle was an endangered turtle so we rushed quickly to return it from where you caught it. I love you and will miss you very much.

Rest in peace and hopefully we can reunite in heaven someday,

Love
