“ *George, Shawn and Laureen - Thinking of you at this time. My mother sooo loved your mom. All these years I heard so many wonderful things about her. I just heard today of her passing and my first thought was that they are happy in heaven having lovely talks and smiling. May God bless your family and comfort you.*

“ Lorna and norm were one of my close neighbors. I was fortunate enough to grow up in a time when neighbors meant something. Lorna was like a mother to me. A person i looked up to and respected. I would stop by the old neighborhood and always stop by and give her a hug and talk. She will truly be miss.

“ Auntie Lorna (Lily) was the kindest, thoughtful and most beautiful person I've ever known. I loved that family was so important to her and sharing the history and her memories of Riverton were as important. She will truly be missed. Auntie Lorna left an amazing legacy that will never be forgotten and a family who respected and loved her like none other! Thank you for the love and for sharing your beautiful heart with all of us! My deepest condolences and hugs to the entire Holtzman family. My mom and dad will miss having her stay in their home every summer and so will I. We love you all. Xo
