“ *Only one woman can bring you into this world creating a bond that lasts a lifetime. I am lucky to call you 'my mom'. I will think of you every time I hear Bob Seger sing "Old Time Rock & Roll" and I will be transcended in time to when I was 5 years old in the basement swinging by one hand in circles around the support pole while you ironed dad's police uniform while singing "Delta Dawn, what's that flower you have on" every time I hear it. I miss you already and I am left wondering who I will argue over politics with. God bless mom, give dad a hug for me in heaven.*
