“ Mr. & Mrs. Thomas- I want to send you my co-workers and my own condolences on your tragic loss. As we are hearing of your loss and realizing that it was the sweet guy that worked in our lobby we are all so saddened. As I am sure you are already aware, he was a wonderful person that touched all of our lives as we came in to work in the morning and left for home at the end of the day. All our thoughts and prayers are with you.

“ Monica & Loyd...I can't begin to imagine the pain that you are feeling. Our families met when Little Loyd was 6 years old. His big soulful eyes and wide smile that could light up a room immediately stole our hearts. You raised him right and instilled all of the positive qualities that many of our young people are lacking.

Our prayers and love to you and the family.

“ Loyd...i still didn't believe it when Amber told me what happened. I was like...HELL NO.NOT LOYD. I still to this day don't believe it. You were such a majestic young man who had a heart of gold and would give someone the last bite on your plate if they were hungry. U were taken way too soon but God has a plan for everyone and his plan was to have another angel with him...but why you. We are not to question his judgement though. I remember giving you rides home from school and u calling me "mom". Even though it has been many years since i have seen you you still hold a special ..very special..place in my heart. Amber is just heartbroken beyond belief because she has lost a terrific friend. To Loyd's family..i cant even give u enough condolences for the loss of your son. He was an amazing young man and that is how he will always be remembered. Just remember u now have an angel looking down over you. And to Jason..my heart truly goes out to you. He will forever be looking down on you and guiding you in the right path. He is now your guardian angel. I will always love u Loyd Thomas may you rest in heaven. Traci Harris (Amber McKelvey's mom)
