“ I’ve been an across the street neighbor to Mr & Mrs. Dubrul for 15 years. About 2 weeks ago I happened to see the two of them in front of my house and Mr. Dubrul was trying to convince her to come back home. At that time she did t want to comply. I came out to see if I could be of some assistance as she raised her cane at her husband. I asked her not to hit him. She looked at me and asked me if I wanted some too. I laughed as I knew she wasn’t able to hurt me. I also knew she was ill so I proceeded to tell her what a nice, sweet and lovely lady she was until she calmed down and went back home with her husband. I’m going to really miss the admiration I felt seeing the two of them going for their daily walks. Our condolences to Mr. Dubrul and their family. GOD BLESS.
