“ *My sister-in-law Lydia, was the sister I never had. We shared 60 years of memories, good times, bad times & laughter that made us act tearfully silly. I will forever miss her sense of humor, her laugh and her presence in my life. RIP, "sis"❤️*

“ *I was blessed to have my neighbor become my dearest friend & more family members. Our meetings at the fence, our porch talks & all the days & evenings we spent just talking about everything. Old movie stars, life, music, everything that could be spoken was. ... My world was brighter because you were my friend & family The next lilac bloom is, as always yours first.*
