“ *The first time I met Lynn is while she was caring for my dad in Hospice. She had a gentle way about her a kind and caring face. We looked forward to her coming everyday because she had a way of turning a sometimes unpleasant day into wonder experience. She made sure my dad was comfortable and comforted my nervous Mother. She loved her family and would often talk about them with a smile on her face. Thank you Lynn for what you did for my family. May you Rest In Peace. You will truly be missed.*
