“ I can't remember a holiday or family gathering without Madeline. Her smile and her laugh lit up every room. She was always there, and always with a batch of her cookies. She will be remembered forever and leaves an emptiness in all of our lives. Love you forever Madeline

“ I will miss Madeline so much. I'll miss her big heart and her sense of humor that could be both dry and silly. She was always up for an outing and she was wonderful company no matter if it was a trip to the grocery store or a concert or play. Her passing leaves a big Madeline-shaped hole in my life. I was lucky to have her as a friend.
