“ Will miss you Aunt Marge. I fondly remember having dinners with the whole family in the kitchen. We all squeezed in around the table. And my beautiful Aunt Marge would always have something sweet for dessert. We would go especially crazy when she made her famous Oreo Cookie Cake. I will always remember the good times we shared and the stories she told. May you rest in the arms of Jesus and know you will be missed.

Doug and the kids (that's how she referred to you) I am so sorry. And I'm sorry I couldn't come to her service. Know that she was always in my thoughts and prayers, and you are too. Love you, Sandy & Jane

“ We will miss you, Aunt Marge. I have fond memories of going to her house and and playing with Amy , my favorite cousin, who I now miss dearly and remember often.. She always had a smile on her face and was always interested in talking to me about what was going on in my world. I remembered she always had a lot of friends that she went to lunch with and was very social, a true social butterfly. May she rest in peace in the arms of our Savior.

“ Will always remember all the times sitting on the front porch talking with Mrs G. She always had time for all the kids that would come by. We'll greatly miss you.
