“ You were one of my best friends and favorite co-workers of all time. We laughed and laughed and had sooo much fun, while assembling seat belt after seat belt, day after day, week after week, year after year. And then we lost track of each other at some point and we never found the time to pull things together before you passed. You will ALWAYS be fondly remembered and have a place in my heart Maria, and you will always be missed.

“ I am truly at a loss for words. I loved Maria like a sister all through Junior High School. We had so much in common, the love of makeup, clothes, boys & most of all Mick Jagger & The Rolling Stones. I am still impressed till this day that, Maria was able to freehand the Stones emblem of the lips and tongue to complete perfection & she made it look effortless. I will always remember her amazing, beautiful eyes, but most of all I will always remember the beautiful, caring woman she turned into. I was so happy when we reconnected on Facebook. We shared some private conversations as to how our families were doing. It was very obvious she had a great love for her family & adored her nieces. My thoughts go out to Maria's entire family. I will never forget her.

“ A remembrance. Lover of butterflies, dragonflies, moose. telling you like it is, holiday sweaters, books, coffee mugs and coffee!, the color purple (and green), jewelry, a good sale, a down home breakfast, girlie home parties and her 'goods', planting flowers and futzing in the garden, camping, angels, yoga, laughter, a notepad - to write things down when inspired - in the Jeep, pens!!, passion for learning and her delight at finally finding a career that she knew was her calling, photographer capturing my dog, Cooper, in action, My memories include trips to Port Huron with no agenda and lots of time, Peach Festival, attempt to get certified in CPR (we got the date wrong and ended up in a store :), breakfast at so many different places, Black Swan movie, Life of Pi movie plus too many to count home visits on the deck or lounging on the couch. She was childlike with wonder and one of my biggest cheerleaders and confidants. I so enjoyed just BEing with Maria. I love you - your friend, your pal, your amiga (as she would leave on my voicemail) or shout out My Lily Pad. I hear your voice in my head, I cherish my memories. You have truly joined the angels. I love you and I miss you so very much. Lillian

“ *We send your family our deepest sympathies for the loss of your loved one. The grief can be overwhelming. I have found this passage to be comforting, "Have hope toward GOD....that there shall be a resurrection of the dead" (Acts 24:15) This promise is from our Creator and builds our confidence in his word the bible. We hope it will give you peace and calmness.*

“ She always made me laugh. She made work fun and loved to be silly. I teased her about the coffee stains on her shirt, she teased me about my everything. We came close to getting caught writing notes back and forth to each other in meetings.. And the list goes on. She was an amazing, beautiful person inside and out. Love that girl. I will miss her terribly.

“ I have known Maria for about 22 years. In all that time I never saw anything from her except the positive in life. No matter what happened on her journey her faith in God, and family held her steady through the rough times and gave her great joy in all the beautiful times. I can still see her long flowing beautiful blonde hair and the way she flicked it away from her face. Her smile was bright and cheerful and her laugh was infectious. She always had a kind word for anyone. Her sense of humor kept her going, and her faith kept her steady. I will sorely miss that bright smile, and cheer but I know she is sitting with God, at peace, smiling and laughing as she did here! We will see you soon Maria. To all who are missing her, especially her Family my prayers are with you, and I hope in the coming days you will feel God wrap his arms tight around you as you heal. Sherill Smith
