“ *Kari, Your mom was a special woman. Our family shared so many wonderful times with her, many of which I will not forget. Going up to Caseville and laughing late into the night and waking up other family members not realizing how loud we were. Your mom making us Salty Dogs while we went in the pool. Of course we were of age! She was always just plain fun and enjoyed being with young and old. I remember when she got engaged to your dad and when they got married, just so many memories of an oh so beautiful soul. She will never be forgotten. Your grandparents, God bless them, they raised such a fantastic family. You are in my prayers at this incredibly difficult time and don't forget like I said I'm here for you. Gone but never forgotten.*

“ Dear Kari, my name is Anne Durocher I knew your Mother and Grandparents when I lived in Caseville. I am so very sorry to hear about your Mother's passing, she and I have kept in touch thru facebook thru the years. I have always admired Mom and your whole family. I will sincerely miss interacting with your Mom and I will continue to always include her and all your family in my prayers. I live in Jackson now and have become a widow myself so I doubt if I will be able to come to the funeral on the 20th, but please know that on that day I will be thinking of you and your Uncle and I will be offering my prayers for you.

Again, I send you with my deepest thoughts, love and sympathy.....Anne Durocher, 858 Chamberlain Ct. Jackson Mi 49203
