“ Eddie was the best brother to Billie. He always looked forward to visiting and spending time with him. He misses him dearly that I know. Eddie you were one kind and loving father and grandfather. I never got a chance to have one of your strawberry cupcakes that you made with the girls. Rest in peace with your love Sharon. ❤️❤️

“ I came into your family not knowing what I'd find. I was nervous and afraid. You gently eased my mind. You made me feel right at home from the first day that we met. You welcomed me with opened arms, and that I won't forget. You always have encouraged me with kind words that you say. I know I can depend on you on any given day. You're a great father-in-law. You stand out above the rest. I thank God for blessing me with you – the very best. I'll be missing you until we meet again!
