“ *Mark was a very soft spoken gentle man with such a sweet spirit about him. A man with a "childlike" faith that fought the good fight, finished the course and kept the faith. He will be greatly missed. I pray that the Lord will richly bless his family and friends with HIS PEACE and COMFORT during this very difficult time.*

“ Uncle Mark was great!! His motorcycle was the first motorcycle I have ever been on. When I was a kid he use to take me around the block. He was also a hunter, I will never forget him telling me if I ate the deer stew it would make me jump higher and as a kid of course I believed him, so after each bite I would jump to see if it was higher than the last bite. His deviled eggs we're too die for! We will never have deviled eggs like his again cause he would never give out the recipe.

He will be missed terribly.

“ I'll miss you uncle. You was a great man. You will always be with me in the woods. I'll hunt for the both of us. I got us a buck Saturday morning at 9:20. It was very spiritual and I couldn't help but think of you when he approached me. Love your nephew. ❤️

“ Mark is my baby brother. He is an amazing father and a hard working man. We had a great relationship. He loved his family. He made me laugh with his quick wit and his one liners. One of his joys in life was riding his Harley.

His courage during his short grueling battle made me love him more. He never complained at all. I am honored he allowed me to go on this journey with him as anyone who knows him knows he was a private person. So my dear brother, I will miss you and may you ride on the streets of gold 🏍️ until we meet again ❤️ Your loving sister, Michelle

Mom,

It is difficult to find words that will comfort your sad and heavy heart. Mark was a great guy and I remember years gone by. He seemed to always have that smile that shows in his picture today. Everyone is here for you as you go through this trying time.
