“ *How does life go on knowing that the greatest part of my life is no longer here. You help to create a wonderful world for me to have fun and play in. I'll remember all the LONG nights of playing YATZEE until 4 am. I'll remember our trips to Vegas and our wonderful drive to California. So many memories to keep me going for my many years but not as good if you were still here to remember them with me. I'll always love and remember you until we cause havoc in the heavens!!*
