“ Michael and my father, John Joseph Minko were cousins. I did not know Martha, but the loss of our Mothers is always difficult. My prayers are with the Minko Family.

Thank You for your prayers Margaret, I know of your father John being buried at Arlington, your Mother Alice, and your Dad's brother Tony. I thought that you might be living out in Baltimore area. Please try to find me on facebook as I tried to send a message to you there. Thank You Margaret.

“ I lived across the street from the Minko family for 22 years. Although I can't say that I knew Martha all that well, what I remember most was that she was always happy and very friendly. She looked out for the neighbors and watched out for the safety of our homes when we were gone. If she didn't see my mother around for a while, she would call to inquire about her well being. She really cared about people. My mother knew Martha and always enjoyed her company and on a few occasions in the last few years went over her house and played Aggravation. She couldn't stop talking about how much fun she had. Back in the day, the women in the neighborhood had "card parties" and would take turns hosting. As a child, I remember Martha's laugh as being infectious. She was so full of life. Most importantly, Martha raised a large family and it is obvious she did a fantastic job because the Minko's are such a great family. That speaks volumes about Martha. Myself and my family send the Minko family our deepest sympathies and our prayers and thoughts are with you. Be assured that Martha has reached the kingdom of heaven and is in everlasting life with God.

Sincerely,
Noreen Nash and family.

Mrs. Minko, you will be greatly missed. I have known you since I was a little girl. There are so many memories that I have of you that I will cherish forever. One of my favorite memories of you was when you gave me a huge pomegranate for Halloween one year. You knew how much I loved them and you surprised me with one. I absolutely loved and enjoyed it! I feel your family and mine have been extensions of one another because we have shared so much, more than your typical neighbor does. We have been family and friends for many, many years. May you rest in peace for eternity, and be reunited with your family and friends that have gone before you. I know how much you suffered here on Earth with your health. May you be completely healed and restored and smiling down on us. I love you with all my heart. Say "hi" to my dad for me. You won't need to tell him to put a jacket on anymore because I'm sure the temperature is just terrific up in heaven. But I'm sure my dad has some food ready for you to eat! Kathy (Mihelich) Hendricks.
