“ Oh Nanny, it was such a pleasure knowing you. You remind me of my very own, very feisty grandmother who I just adored and dearly miss. Your beloved family will truly miss you and will remember all the wonderful memories they hold by having you in their lives for so long. You are a true role model for your loving granddaughters. Knowing that you are in a better place, looking down on them, will help them throughout their lives; as they become mothers, grandmothers, great grandmothers and hopefully great-great grandmothers just like you. Rest in peace dear Nanny, and say hi to Lori for us.

God bless you and your family, Cathy. Our deepest, sincerest condolences.

Your Watson family.  
Mark, Kristine and Elena
