“ I'm so sorry to hear about the passing of my cousin Mary. I am from the short branch of the Waters family that went off to travel the world with the Air Force. As a result of that we didn't get to see as much of the main family branch as we would've liked to. I have wonderful memories of Mary, as a child & my special girl cousin. God bless you to Mary's family and my aunt Marge, Mary's mom.

“ I knew Mary for a long time our kids grew up together. The boys through cub scouting . She got me my job at a franks Nursery on Van Dyke and Martin Rds in Warren we had great times working together. Even though once Frank's closed we didn't see much of each other but I thought about her all the time. My heart goes out to her husband Bob and her kids and grandchildren. Just sorry we never seen each other much after we both went into other jobs and adventures. Good bless her family 🥹❤️

“ Mary was my first girl cousin on my dad's side. I remember the 'hundreds' of times we played together at Nana and Grampa's during Thanksgiving and Christmas as well as other family events. As the years went by, we saw less of each other. But when we did get together, it was like no time had passed at all! I will miss her. My thoughts are with Bob, Laura, Robert and Daniel and Mary's mom, my Aunt Marge during this sad and difficult time. Rest in peace, Mary, You were cherished.

“ *When I find myself in times of trouble, Mother Mary comes to me
Speaking words of wisdom, let it be
And in my hour of darkness she is standing right in front of me
Speaking words of wisdom, let it be
Let it be, let it be, let it be, let it be
Whisper words of wisdom, let it be*

“ *Mary joined the Bodman family in 2010 as our hospitality person.
She also handled the reception desk for our law firm and was a true
light for our clients. Her kindness, laughter and quick wit will not be
forgotten. We will miss you Mary. Rest in Peace my friend. Darlene*

“ *Mary and I go back many many years, I think even before our kids
became friends. When she Worked for Frank's nursery, I truly think
she fulfilled her passion in always liking tiny crafts and unusual
small trinkets that she would give lovingly as gifts. I always knew at
Christmas time I would receive the cutest petite cards from her and
Bob we shared years of fond memories as my daughter Angie and
her son Rob married and had many family gatherings. You will be
missed Mary .RIP, love Pat*
