“👁️ WISH 👁️ KNEW

👁️ wish 👁️ knew,  
The perfect words 2 say 2 u.  
The words 2 take away the pain and stress,  
The words 2 make ur heart, hurt less.

👁️ wish 👁️ knew,  
A simple phrase 2 say 2 u.  
One that alleviates the grays and the blues  
And that stops the tears 🥲 from burning ur skin...  
Something 2 heal ur soul from within.

But know...  
In this such delicate time,  
that the moon will still glow  
And the sun will still shine,  
And ur dad will be watching u from heaven the entire the time.

So with sincere condolences and heartfelt sympathy,  
U have my prayers and u have my empathy, and know that ur family  
is in my thoughts and prayers.  
Wishing u strength and wishing u peace and healing,  
With each and every tear.

*They say you can judge a man by his children. Michael, I never met you, but I met Jody. one of the most talented and loving people I've ever known, and she sure loved you. May the graces of our Lord Jesus Christ come down upon you and all your family, and my old friend Jody*
