“ *For Sue and Family,*

The bonds of love are the spiritual ribbons that connect us from our hearts to our loved ones who've moved on to the Infinite. These eternal bonds, through our faith, keep us steady and strong.

The soul's journey is a well-planned and travelled one for as the soul's purpose has ended here, it goes on to another journey to the Infinite, where love, peace, light, wisdom, joy and forgiveness reside. THIS BOND CAN NEVER BE BROKEN. Everyone has their own personal spiritual connection to Infinity with their loved one.

"There is a greater plan unknown to those who are left behind to grieve. Eventually to be reunited with our departed ones-----It's just a small part of the whole picture, the plan, you see."

Everyone has a purpose.

Every purpose has a meaning.

Cherished memories of you are our most precious treasures one can truly possess!

"I haven't really left you, for I am truly here.

Always beside you, in good times, in sad times perhaps to wipe away a tear.

My family, my friends, until we meet again, know that I love you, and hold you all so very dear."
