“ I met Mike at work - he was an apprentice then.... I knew Mike was going to make a great journeyman!!!! But mostly, I loved the way after talking for 10 mins a person felt as if they'd known Mike forever! Years passed without seeing Mike but when we met again at Mack 1 it was as if we didn't miss a beat! Mike will always be missed and forever in my heart! Rest In Peace my friend - God Bless!

“ mike is my brother in law i met him when he was 16 years old he was always such a nice guy and loved to joke around and loved his nice cars and music, when i met him till this day i always thought of him as a kid with big dreams, he always has been a high achiever and a hard worker up to the very end a few days before he passed away he was still working and he was in so much pain i dont know how he did that, he will be truly missed by his mom sue her heart is heavy, he was a great guy always talked polite, up to the very end, he was thanking all the nurses and doctors saying thank you god bless you, he had such comradery, his brother David is my husband he is truly heart broken, mike was his baby brother, his oldest brother Jerry passed away 8 years ago on Christmas day suddenly, now its just David & his sister Michelle left, as we all know once you lose a brother or sister its never the same something is always missing, i hope mike is reunited with his dad Jerry and brother Jerry in heaven and they are all up there rejoicing in heaven together, i still cant believe hes gone its like a bad nightmare for us. love you Michael... I still can't believe he's gone. So unfair. So heartbreaking. I worked with Mike many years and we had lots of conversations through the years and he was always polite and so helpful. One of the nicest people I ever knew and I am grateful we were friends and got to share a friendship. Donna and David you can get a hold of me anytime. I am so very sorry for your loss . I'm so sorry we had to lose a great guy like Mike to soon. I still don't want to believe it. That's so like Mike to think of the medical team and others . That's just the kind of person he was. I remember I helped him decide what kind of a guitar he should buy Megan many years ago. He wanted just the right one. He always talked about the kids. There are so many good things to say. I will miss you my friend. So very sad and heartbroken for you all. May you rest in peace now my friend. Robyn hunger.
