“ I was never fortunate enough to meet Mitzi in person, but we were good friends on Facebook. We had some long talks and supported each other through good and bad times. Even without ever meeting her in person, I knew by her words that Mitzi was a wonderful person, wife, mother and grandmother. Mitzi loved each of you more than you will ever know. You were her life!!! Mitzi, I am missing you greatly but I know that you are in a much better place than we are right now. Hopefully someday, not too soon I hope, we will meet each other in Heaven. God Bless you Dear Friend!!!

“ My most vivid memory of Mitzi was at her daughter's wedding. We enjoyed talking about everything especially when I mentioned that I had just seen an Elvis impersonator. She loved Elvis! When I left she kissed my hand. You could tell she had a loving spirit.
