“ Nancy was a very nice person and I'm happy that I got to know her a bit over the years through my friendship with her daughter, Marya. (I've been friends with Marya now for over 20 years.) One thing in particular that I will remember about Nancy is all the years she was a member of the Michigan Ohio Concert Choir. There were several years when I attended their annual concert, with Marya, which took place around the holidays every year. It was always a good concert, and Nancy enjoyed being part of it every year. She will be missed.
