“ *Please know that I am thinking about you and your family during this most difficult time and that my thoughts and prayers are being sent up in memory of your loved one!*

While I did not know her personally, I'm sure that she brought much joy and love into her family. I hope that time will ease the pain and loss that you all must be feeling. My thoughts and prayers are with you all!

Our deepest sympathy goes out to you and yours. We go way back with Patti to the Ebenezer Youth Group. She was always happy, bubbly and smiling- a very dear friend. She will be sadly missed. God bless you all at this very sad time.
