“ Patty,
Thinking of you and the rest of the family during this time. Praying God hugs you all a little closer during this time of grief. Pat was pretty special to Jeremy and I as our first date was at Beth's wedding all those years ago. I'm so grateful for his friendship and all the laughs we shared. He was so talented at wood working and I have several things he made for me/our home. He will definitely be missed by not only us but so many people he helped along the way.

“ Dear Pat,

I just received word of Pat's passing and am so very sorry for your loss. I remember a wonderful dinner out in Ann Arbor with you and Pat and Kathy Hulik a few years ago and what a great time we all had. Life goes by so quickly and I feel fortunate that I was able to meet Pat and enjoy his company that evening. I know that his service will be beautiful and that you can take comfort in the wonderful family that you raised.

Hopefully, we can meet again before too long, perhaps over at SC.

Meanwhile, I'll keep you and your family in my prayers,

“ *I'm so sorry to hear of Pat's passing. God be with you and your family at this difficult time. I have happy memories of the Fall Balls at Pat and Pat's place, the fun music, the laughter, my conversations with Pat, and his warm smile. He was always interested in what you had to say and had a lot of interesting comments. I remember him showing me his wood shop. I was amazed. Super guy!*
