“ I remember so many small things, there isn't just one memory that stands out. Staying with her when mom and dad were house hunting in Grand Rapids, her voice calling me Choo Choo, her laugh, how she always seemed to move so quick, so full of energy. We were lucky to have such a big family growing up. I wish I could be with you today, but know my heart is there praying with the family.

“ one of the best and funniest memories of Aunt Pearl is when mom and dad where in Grand Rapids looking for a house and we were staying with her playing the song Dizzy by Tommy Roe and have her trying to dance to it with me we laughed so hard we couldn't dance so funny makes me smile to this day
