“ *Addie, I pray that you find comfort in your beautiful memories of Dean, and in your friends and family at this time of great loss.*

Dean was such a charming and gracious man! I remember how friendly and out-going he would be when either catching him first on the phone when calling you, or when visiting you shortly after you two were married. He was one of those very special individuals who knew how to make others feel instantly special. He'll be missed.

Sending you sympathy and love, Addie.

“ *I had the privilege of working with Dean at Lear! He was a classy, caring individual who was invaluable to Bob Rossiter. Dean accepted any assignment given to him regardless of difficulty, location or personal sacrifice. He could always be counted on to deliver. He was a true “Lear Man”!
Addie, I am sorry for your loss and the people of Lear will miss him as well!
RIP Dean and I hope Bob doesn't get on you too much up there!
