“ *Uncle Bob,*

*You were invincible. You Showed all of us kids how to build, play, grow, and most of all how to live.*

*Your memory will forever be embedded at the Tuttle Marsh Open....Sleeping Bob Area nestled across the street, near the 3rd generation bar by the fire pit----ohhhh the memories of late nights and playing guitar with firewood, rock-and-roll playing 24-7.*

*Always our hero. Always our Uncle Bob.*

“ *Lorraine and family,*

*We are extremely saddened to hear the passing of Bob, "Mr. City". My dad told me that he just spoke with Bob 2 weeks ago. Last month, Bob talked to me about coming up to Tawas to open camp this year. We are going to miss visiting with him and hearing his one word or two-word liners: "yippee-kay-aye", "spike-city" and most notably, "r-zee-matey" to name just a few.*

*Bob was an awesome neighbor, who always welcomed us to stop in for a laugh and catch up on past times. He did his daily "walk-a-thons" (with walking stick in hand) in the Tuttle Marsh while up north in Tawas. He would check on our property, come into camp, take out a red squirrel or two with the .22 and sign our log book before leaving. He last signed in on October 1st, 2015, his #238 autograph at the Mochty Camp over the years. So glad we were able to have known Bob for over 40 years and be able to call him our friend.*

*R.I.P. brother Bob, you will forever be missed.*

“I Heard Him Say”

*Don't mourn for me I heard him say,  
I'm happy and at peace  
Stepping into that Loving Light  
was such a sweet release  
I know that many there will miss me  
and sometimes your tears will flow  
But please know that I was ready  
and I want you all to know  
that even though my life seemed short  
to all that knew my name  
being here is awesome.....  
I wish I could explain  
just know that we are but a vapor  
in our earthy human form  
and we are all preparing for this day  
from the minute we are born  
You need to know that Jesus  
heard each & every prayer  
and I've learned some more things here  
and with you I will share  
don't ever stop believing  
or ever doubt your power  
It's just that each one of us  
has got our destined hour  
Our Father has a life for us  
that until you're here with me  
you'll never know what's waiting  
so you'll have to come and see  
I want you all to be ready....  
Please put Jesus in your heart  
for that is the only way to be  
with me where we will never part  
Thank you all for caring and sharing in my life  
and please believe the Bible's true*

*there's no sickness tears or strife  
so celebrate my victory and  
parents please do like my mine  
teach your kids to know the Lord  
so that their light will shine  
For just a little while then  
I'll say good-bye to you  
I'm happy safe and in His arms  
"MY AWESOME LIFE ANEW"*

*I have good memories, lots of laughs with all that life has brought..  
to Bob's family & friends you will be in my thoughts and prayers.  
God's Blessings, Linda Yow*

“ *It came as a shock to hear of your passing. I will miss seeing you on the "Kramer Hike" with your walking stick in hand. I catch myself looking over to your patio expecting to see you sitting there every day I leave. It was always a treat when we crossed paths, I never really knew what was going to come out of your mouth, I just knew I was in-store for a good laugh! We have shared many hunting stories and it saddens me I won't hear another. Rest in piece Bob, we will all miss you dearly.*

“ I was saddened to hear of Bob's passing. When ever we ran into each other our first response was always a HI'ya Joe(referring to Crazy Gugenhime on the Jackie Gleason show) along with the twisted face. Bob you gave so many people, so many reasons to laugh out loud. I also remember your armpit noises at the most uninformed times. If there are tears to come your way they will only be tears of laughter,from me. God Speed and Rest in peace my old friend.

“ Bobby, I haven't seen you in a lot of years, really since my dad died. I always wondered where you were and how you were doing. I will always fondly remember times together when we were young, cousin. Sounds like you had a wonderful family. I know you are gone way too young. My deepest sympathy to your wife and family, and Billy and Joann. Love you.
