“ I have many memories of Bob, but the most recent ones are of he and I discussing and sharing our coin collections.I always enjoyed getting the presidential dollar coins and national park quarters for him.I will miss his phone calls asking me if I was a bushel or a kuschel..He had a never ending supply of jokes that he challenged me with.He always told me that he was glad to have me as a brother-in-law and I always felt the same.A very rare man has gone on to his final reward where there is no more pain and suffering,just peace,happiness,and eternal love.

“ *Percha,
Sorry, but, that's the name I remember you by. Bob was a special
guy. I know how much he meant to you and your children. I
remember the good times at Saratoga Hospital & hearing you talk
about him. Wish that I could have seen you yesterday & caught up.
But, wanted to offer my deepest sympathy. May all your wonderful
memories of him help all of you through this most difficult period.*

“ *Uncle Bob- It was a pleasure to have met you and shared such wonderful memories with you. You will always be missed and remembered in our hearts. Have a safe trip and rock on.*

To Aunt Lou, Andy, Kristin, Theresa, Rob, Jeff, Joelene, Ron and Dan- Uncle Bob was a silly, loving and humble man who never back down without a fight. His greatest joy was making others laugh. Although no words can really help to ease the loss you bear, just know that you are very close in my every thoughts and prayers.

“ Our thoughts and prayers are with you, particularly Robbie, a neighbor and playmate from 50 years ago on Ternes. I often think of those days and how the Perchas first introduced me to Mrs. Grass' soup! Again, our deepest sympathies.

“ Uncle Bob, I'm so glad I got to see you at the Percha Family Reunion at Bud and Louise's house. You were always the life of the party and everybody had to laugh along or at least smile when they heard your infectious laugh. I'm going to really miss you. Love, Ann Percha

“ *Mary Lou and Family,
It sadden me to hear of Bob's death. He always had a smile on his face when I saw him. Every time I saw him it was a pleasure to be in his company. I remember when I asked him if I should start my business and he encouraged me to do it. Four years ago when you and Bob came to my daughters graduation open house Bob was surrounded by people the whole time. It just goes to show you how much he was cared about by people that knew him for many years. May the Lord Bless His Soul and may he Bless your family.

Bob, I still have the old tattered MSU flag that you gave me in Caseville several years ago. It survived many storms up there and I thought I'd lost it one year. Not only will I be flying it on Oct 25th. I'll be thinking of you every time I hoist it. Farewell my old M.S.U. fan and friend. Ron Witherspoon
