“ When we moved into our house on Eureka in Warren, Bob wasted no time crossing the street and introducing himself....we quickly became good friends as well as good neighbors to each other. He turned me on to a different kind of hilarious entertainment that year....we would get a 6 pack of beer and watch the Warren city council meetings twice a month and laugh our butts off when the council members would start arguing among themselves...Bob thought it was the funniest thing ever, and I enjoyed the hell outta those nights. Bob was always willing to help out a friend and if he liked ya, you had a friend forever. He was one of the best guys I ever met and the world just lost a truly fine person. See ya sometime, Bob!! He and I were friends for many years and he was exactly what a "true friend" should be. I am gonna miss him for the rest of my life.
