“ Rocco was my dear friend. Yes some would say he was cranky but I know a fun light side of the man I hold in my heart. He loved his Friends in California and Michigan and Florida. but he held a special place for California we used to discuss how we were really retired from 1979 to 1989 because life was so fun for us then. We partied all the time laughed together and cried together. He had the best recipes for cookies and He was a great cook. He loved the ladies and the ladies loved him. All of Us will miss him.
