“ *This is Rochelle's x-husband, but when I married her I said that I would love her 4-ever
She was my first love & only love that I have ever known, I've never stopped loving her!
As a matter of fact I have been lost without her since our divorce. Rochelle I feel you with me every day, you will always be in my heart
And soul forever & ever.
I love you and miss you very much! 😞*
