“ Our hearts were broken today when the Lord took this great man from us , But when we all look back at all the great things Ron has done in life for Wife , Children , Family , Friends , Employees , and all his customers that he made them like they were not just a face or a job , But a friend and that is what Ron was all about . Making people Happy an Having Fun. I know and his Family knows it's his time to be pain free and Happy. And with God now he is. So, I know Ron wouldn't want us to grieve today he would like us to celebrate his passing , because he is no longer in pain-and with Lord the Jesus Christ. Amen.

“ *It's hard to write one memory when so many were had, we always laughed every time we talked. Ron's sense of humor was infectious, you could not help but laugh with him. His talents were many and his love for life and the people around him showed always in his smile. He was a perfectionist in all facets of life, it was a true privilege to be his friend.
He is one person that I will never forget and truly miss.*

“ Ron will be truly missed. I will miss his wheeling and dealing. I will miss his decorating advise and how he fluffed all of the pillows in my house every time he came over. He was so kind and thoughtful. I remember when I lost my wedding ring for over a week he sent me a beautiful bouquet of pink roses and a humorous card to cheer me upand hour later I found my ring. He loved life so much !! Ron loved to tell jokes and make people laugh. I still remember how he several times told us hey, you're not going to believe what happened today. I had a car crash and a dwarf got out of the other car and said, 'I'm not happy'. So I said to him "well which one are you then?" He got the biggest kick out of making others laugh. He was so proud to say he had three daughters. He loved his three grandchildren so much. He told me several times how grateful he was to have Nancy in his life. He was amazed at how well she helped run Bix. Ron appreciated so much how Nancy helped him through this horrible disease. She was ahead of the game and always prepared for the bumps in the road. Ron never gave up, a true fighter till the end. I feel so honored to be his friend. Fly high buddy 🙏❤️

“ This is a very sad day for the OHATB community. The OHATB Board and the residents have suffered a great loss. Ron's presence and enthusiasm could not go unnoticed. He loved things beautiful and was passionate about the improvements he had implemented and was always ready to explain what was coming up next to make our condominium more attractive. We were lucky to have him and Nancy as our next door neighbors. Our prayers and deep sympathy to you Nancy and your family during this time of unimaginable grief.

I have very fond memories of Ron while I lived in Michigan for 10 years.....the day we first met, when he picked us up from the airport, the laughs we had over the language barrier, riding in the back of his van on garden chairs, ball games in his beautiful yard, trips to the craft stores every year, riding in his corvette, working along side him in the store.....so many memories. But my fondest memory of Ron is the love he had for those he cared about the most....you will be sadly missed Ron, fly with the Angels, have a laugh and drink with Auntie Doris. Till we meet again.
