I was going thru some things today and found this saying. I remember when I showed you this when your brother Ed past away and you liked it and said you would remember it when you thought of him. Now when I read it I think of you Ruth.

*When days are sad and lonely,
And everything goes wrong, we seem to hear your whisper, cheer up
and carry on.*

*Every time we see your picture, you smile and seem to say,
Don't cry, I'm only sleeping, We'll meet again some day.
You gave no one a last farewell, nor ever said good-bye,
You were gone before we knew it, and only God knows why.
A million times we will miss you, a million times we will cry.
If love alone could have saved you, you never would have died.
In life we loved you dearly, in death we love you still.
In our hearts you hold a place, no one else can fill.
It broke our hearts to lose you, but you didn't go alone.
For part of us went with you, the day God took you home.*

*Love and Miss you Ruth. I hope your having a party up there for your
birthday!*

“ To me Ruth wasn't a sister-in-law, she was a sister. She was one of the kindest people I have ever met. Dennis and I will miss her greatly. She would always be there for anyone who needed anything. I will miss our 3 hour phone conversations where we just talked about nothing and everything. I'm glad Ruth and I had a chance recently to look at photos from our many camping trips. They say the good die young, and Ruth you were one of the good ones. Love, Dennis and Michelle Dettmer (part of the original Wet Ones)

“ Ruth was my by brother Glenn's wife and my sister-in-law. She was a very loving mother, grandmother, daughter-in-law and aunt to my 3 daughters. She was so giving and caring. I will miss our recent texts back and forth and her kind words. I recently called her "Sleeping Beauty" because she had finally gotten a very long nights sleep. And now she is truly at peace and at rest. I will miss her dearly. And I will always treasure the memory of the white dove that we saw at her home on the day of her passing. I know that it was a message from Ruth. She is at peace and as always showing us her love. Until we see you again. We love you Ruth. Love, Pam, Mark, Alexandra, Gabby and Jacquelyn

Pam Lundgren - June 12, 2015 at 02:48 PM

Thank you so much for the kind words Aunt Pam. Dennis and I saw the dove earlier that day and knew it couldn't be anything but a sign from her.

"Dear Glenn and boys" You know how much I loved my dear sweet baby girl and she was eager to show off pictures of those darling great grandkids to me and let me see how they were growing. I looked forward to her cards on Mother's day and all the other holidays that she celebrated with us throughout the year and did so faithfully. We talked recently about how much she was looking forward to having her teeth fixed so she could have her old smile back and I wondered if that had happened yet? I know it was something she really wanted. I wish I could be there for the funeral but I fell and am not able to get around well enough to travel. My thoughts will be with you as well as my heart. She really loved her family and Glenn she loved you soooo much but those grandchildren were her passion! I love her and will miss her extremely. God got a treasure when she reached heaven's gate. Love, Mare & Pops
