“ God Bless your sweet soul Shawnie.

To Mike, Braydon, her parents & to all of Shawnie's loved ones, I am so Very, Very Sorry for your loss. May God be with you & keep you strong. May you find comfort, peace & most importantly, Support in each other during this time. May you take comfort in knowing, that her beautiful soul is at peace, in Gods loving arms now.

My name is Lisa & I live right next door to Mike, Shawnie & Braydon in what I like to call, our quiet little circle. Tho many of the neighbors, like myself, hadn't gotten a chance to know Shawnie very well yet, we are all mourning her passing & we are heartbroken for Mike, Braydon & her family. She was a beautiful young woman. It truly was a sad day.

I so wish we all could've gotten to know each other better. Mike, Shawnie & Braydon moved into the house next to mine last year. They were a busy young couple, always working & on the go. A beautiful young family. I watched them buy a house & turn it into a HOME! I know they have a big family, & perhaps many friends, because when they had a get together or party, the people just kept coming. Everybody was always friendly & went out of their way to say Hello. Unfortunately, our paths (myself & Shawnie's) thus far, did not cross much. How I wish now, they would have. (We have but one life, we need to slow down & cherish the moments & make memories). Mike & Shawnie invited my granddaughter, Destiny & our other neighbor, Mila over to spend the day celebrating Braydon's birthday with him & the whole family. The girls had so much fun going back & forth all day, bouncing in the bounce house & hanging out with Braydon & the family. Destiny talked about it for days! Everybody was so kind. She told me about all the strawberries Miss Shawn gave her because they're her favorite & how nice she was. ;) We took a gift over a couple days later & of course Shawnie said, "You didn't have to do that!" it was TRULY my pleasure. She was very sweet & so grateful. How I wish we had more time. When we did cross paths or see each other, she always waved or said Hello & always had a smile on her face.

My heart goes out to all of her loved one's. Especially her son,

Braydon, her fiancé Mike & being the Mother of four children that are all around Shawnie's age, her dear, dear Parents. I am so sorry for your loss. God Bless you all.

*Lisa, Dave, Destiny & Andrew Dear MIKE,
If there's anything you need, please don't hesitate to ask. Your neighbors are all here for you. I hope to see you soon. Me & Destiny have a gift for Braydon we would like you to give him. God Bless.*
