“ *Never had the privilege of meeting nor knowing Stephanie. However knowing her son Roger, his love, his devotion, his commitment to his mother, her family his heritage and history makes all the sadness, the sorrow in today's world disappear. The bond between mother and son was so intimately exposed in Roger's words and the "joy of a life exposed" and shared for 100 years.*

“ I have fond memories of meeting Stephanie on my very first trip to Poland . We shared a love for Poland's Cherry Cordial called wiśniówka . A beautiful and elegant lady will be greatly missed as Heaven gains an angel!
