“ Well where do I begin. It all started out on continental street. You were Andrea's first friend and Tim was mine. We always had a blast and were inseparable whether it was you guys staying over our house or us staying at yours. Your parents were like second parents to Andrea and I and were great to us. Then of course I would never forget to mention Steve and Ronnie who were great big brother's. May you rest in piece my little sister! I'll never forget you and love you with all my heart.

“ I am so sorry to hear about Tammy. She was one of my best friends growing up. We have so many great memories together. Baseball games, parties at her house, going to the mall, going to the movies, her coming camping with my family, sleepovers, hanging out with her cousin Tina, I can go on and on. I remember she was always smiling and happy and she was a great friend. I pray she is at peace and prayers for Diane, Ron, and her brothers in their healing💕💕

“ Dear Tammy,

I will miss you so much. We were just talking, laughing, and sharing memories about the days growing up as kids and the fun we had. I know you are in the Lords arms, may you forever be at peace.
